FAREWELL TO 2023

.....Reflecting on 26 years of missionary life

Beneath the clear, blue skies of Cambodia, as we close another year enriched by divine grace, I contemplate 26 years dedicated to missionary work. In this land of profound beauty and majesty, I have been a witness to remarkable transformation and progress. From untouched beaches and islands to the mountains and quaint fishing villages, the landscape has dramatically shifted with the introduction of refurbished roads, soaring skyscrapers, contemporary shopping centers, and the nation's inaugural expressway connecting Phnom Penh with Sihanoukville. This development has attracted a substantial influx of Chinese and Indonesian nationals, drawn by new prospects, predominantly in the casino industry and other enterprises. Through this evolution, I have witnessed the constant provision, grace, and intentionality of our Lord.

Originally aspiring to serve in China, I found my calling in Cambodia. Little did I know then, that I would see a significant number of Chinese individuals moving to this region. At Life University, we inaugurated a Chinese department, welcoming faculty from mainland China to educate our students and evangelize among the Chinese community in Sihanoukville. Moreover, one of our theology alumni has successfully founded a Chinese church, facilitating worship and the dissemination of the Gospel among the Chinese populace.

The addition of an Indonesian principal and instructors at Life International School has also connected us to an Indonesian church that now conducts worship services on Life University's campus. Additionally, Indonesian missionaries are collaborating to spread the Gospel among Indonesians in this area, showcasing a remarkable manifestation of God's providence and His calling for His chosen to embrace the Gospel.

Our new sports mission activities breathed new life into our ministry. Soccer has become more than just a game; it has become a tool for instilling hope, courage, and spreading the Gospel to the Cambodian youth. Our Life Football Club (Life FC) has given them the opportunity to dream bigger, opening paths to achieve long-term growth and development.

Through this sports ministry, we've built deeper relationships with many young people, positively impacting their lives and pointing them back to the Gospel. Through this, I've been constantly reminded of how God works through tools relevant to our current times. During Easter and Christmas, many new believers were baptized, and our community grew stronger through this demonstration of God's love and grace and how deeply rooted it is in Cambodia.

When my wife and I first arrive in Cambodia with our young children and few belongings, what began as a small kindergarten ministry has blossomed into a thriving community of over 3,000 members – 26 years in the making, all thanks to constant grace and provision of our Lord. This growth isn't just quantitative; it's a testament to the local community's love and support for our Life School, coupled with a team of dedicated faculty with exceptional commitment. We earnestly strive to provide the highest quality education, imbued with Christ's love, as they entrust their children to our care.

Recently, Life University had the unique privilege of hosting a special event where we had the opportunity to share the Gospel with approximately 1,300 government officials, police officers, and soldiers. This event is pivotal for several reasons: it presented a rare opportunity to evangelize to government officials, potentially planting seeds for broader societal transformation; it exemplified the unity and commitment of the church and faith community around us; and it fosters spiritual growth among all participants. Events like these have a lasting impact as tools which can foster lasting changes in the lives of both individuals and the broader community. Our prayer is that these efforts will persist, influencing more lives and facilitating profound transformations in the lives of those around us. Education is pivotal in providing these children with brighter futures and helping them realize their full potential. As our education ministry expands, we see a promising future for Cambodia through the eyes of these children.

As we bid farewell to another year, our hearts overflow with gratitude for the steadfast love, support, and prayers from Life Bible Presbyterian Church in Singapore. For 26 years, their unwavering support for a foreigner, a Korean, to lead in missionary endeavors while offering financial and spiritual encouragement has been invaluable. The church's annual invitation to Bible camp remains a source of encouragement for our missionary family.

Acts 2:47

FAREWELL TO 2023

.....*Reflecting on 26 years of missionary life*

We have also been encourage by a Korean church who recently extended its support as a tribute to its foundation, continuing as a steadfast pillar of strength. This is an example of numerous individuals who, by the Grace of God, have committed to sponsorship and service. One moment I'll never forget is the request of a computer student when we were young missionaries who approached us and requested that we build a university saying, "Pastor, there is no university in this area, please establish one." We took that request to heart, and after prayerful consideration, that simple request became the seed that led to the establishment of Life University through God's provision.

When we faced moments of genuie uncertainty regarding the university's management and funding, Ttokamsa Home Mission Church from Los Angeles, USA came forward with support, enabling us to sustain Life University—a clear manifestation of God's grace. This is yet another example of how God has always guided us through every season of life here in Cambodia, he is always so good to us!

I wish to express my heartfelt gratitude to our local partners, for without their support, there would be no minsitry. Every step of this journey has been underpinned by His guidance and presence, leading us to where we are today with the support of the body of Christ all around us. Reflecting on the past 26 years, I proudly proclaim the grace of our Almighty and gracious God, offering my thanks and giving him the Glory, forever.

t

Matthew 28:18-20

And Jesus came and
spoke unto them,
saying, All power is
given unto me in heaven
and in earth.
19 Go ye therefore, and
teach all nations,
baptizing them in the
name of the Father, and
of the Son, and of the
Holy Ghost:
20 Teaching them to
observe all things
whatsoever I have
commanded you: and,
lo, I am with you alway,
even unto the end of the
world. Amen.

PRAYER ITEMS

PHILIPPIANS 4:6

Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.

Prayer is the nearest approach to God

Please Pray

1. Please pray that the purpose and vision of establishing Life University may be fulfilled, spreading the Gospel and making disciples in Cambodia.
2. Please pray for new freshmen to open their hearts and accept the Lord as their Savior.
3. Please pray for unity and companionship in the missionary community as we all strive to work as one body in Christ.
4. For the discipleship of each local village through the ministries of the local pastors and evangelists.
5. For the spiritual growth of the church members of the 21 established churches across the country.
6. For the spiritual growth of the new believers who have been baptized through the Easter and Christmas baptism ceremonies.
7. That many youth in Cambodia will accept Lord Jesus Christ as their personal Savior through the newly started sports ministry.
8. For Life FC and Life University to receive the necessary scholarship sponsorships and financial support.
9. For the completion of the university dormitory to accommodate foreign students and students from all over Cambodia.
10. For the health and ministries of missionary David Koo and Min Hye-soon.

John 14:13-14

And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it.
